

EASTERN ONTARIO YOUTH CHESS TOURNAMENT

Sunday April 3rd, 2016 at the Frontenac Mall, Kingston

This tournament is open to all students in Grades 1 to 12 who know how to play chess.

- Students in Grades 1 to 8 play against other students in the same Grade.
- Students in Grades 9 to 12 will be combined in a single section.
- All students play at least 5 games.

LOCATION: Frontenac Mall, 1300 Bath Road, Kingston, ON K7M 4X4

REGISTRATION for all Grades and payment of fee, (\$12.00): 10:15 to 10:45 a.m. - Advance registration is not required. Players briefing: 11:00 a.m. - All students then play 5 games.

LUNCH: There will be a break for lunch after Round 2. Food and drinks can be purchased at restaurants around the mall.

Different Grades will finish their fifth game at different times, but not before 2.30 p.m. Please note: students will only be supervised while they are playing chess.

Top-scoring players may be required to play additional, play-off games, to determine qualifiers for the ONTARIO CHESS CHALLENGE. We can send 1 student in Grades with up to 10 players; 2 students in Grades with 11 to 20 players; 3 students from Grades with 21 to 30 players; and 4 students from Grades with over 30 players.

AWARDS CEREMONY - Approximately 4:30 p.m. Medals will be presented to the top students in each Grade, once the play-off games have finished.

RATING: A numerical rating will be calculated for each player, so that they can compare their level of play, to that of other students across Canada. - These ratings will be posted on the Chess'n Math Association website at: <http://www.chess-math.org>

ENTRY FEE: \$12.00 per student, payable in cash, or by cheque made out to "Chess'n Math Association".

EQUIPMENT: Students should bring their own pieces, if they are not fragile. Boards will be provided. (Some sets can be borrowed at the Tournament).

HELP WANTED: to set up the gym on Sunday morning April 3rd and to help keep track of the results in the different grades. This will begin at 10.00a.m. No experience necessary!
