

SCHOLASTIC CHESS TEAM CHAMPIONSHIP

by

THE CHESS'N MATH ASSOCIATION

*Your child's chess teacher is now forming teams
for the next school team tournament*

What: The scholastic team tournaments are among the most popular events of the year as students may represent their school as a team. Each school's team is formed by four players who will be positioned according to their strength (the strongest player will play on the first board, second strongest on second board, etc.). The teacher and the players will determine in advance the team's name and each player's position on the board. **This tournament is so much fun, the kids want more!**

When: Saturday, March 29th, 2025

Where: Collège Jean-de-Brébeuf
3200, chemin de la Côte-Sainte-Catherine, Montreal, H3T 1C1
(Metro Côte-des-Neiges - across from Sainte-Justine hospital)

Schedule: **Confirmation of your presence and handing out of badges:**
9:45 - 10:45 AM (The badge indicates on which board to play and needs to be worn throughout the tournament.)

Entry of players in the tournament hall: 11:15 AM. Tournament: 11:30 to 4:30-5:00PM
(Please note that parents cannot enter the tournament room except at the 2nd or 3rd round to take pictures or at the discretion of the Tournament Director. Due to the popularity of this event we suggest that only one person accompanies your child to the tournament until the award ceremony)

Categories: Kindergarten to grade 3 / High School / Individual

Prizes: A trophy goes to the school of the champion teams of all sections for one year. The winning teams of the A sections will receive plaques. The winning teams of the other sections will receive a plaque for their school, and medals (Primary and 3rd place for High School) or plaques (1st and 2nd place for High School). Individual category: Medals for the 3 best results in each section.

Registration: **Registration deadline Sunday, MARCH 23rd at 11:59pm**

on line at: **chess-math.org/Championship2025**

or, call us at **514-845-8352 ext. 21.**

We will give the teachers their registrations so they can form their team. An email will be sent out no later than Friday March 28th with all of the details.

Fee: \$30 per child

Notes: Qualification for the Quebec-Ontario Chess Challenge which will take place in June. The top 3 teams in mat-3, mat-6 and High School will represent Quebec at this tournament. If the teacher cannot form a team, your child can play in the individual section.

Other: Time control: 20 minutes + 5 seconds incrementation. 5 games will be played by each of the participants/teams. Prize ceremony at the end of the tournament. You can bring your own lunch and there will be a cafeteria onsite as well.

INFORMATION : CHESS-MATH.ORG / 514-845-8352 ext. 21 or admin@echecs.org
