For a logical mind

Dear parent,

The **Chess'n Math Association** provides chess lessons to over 10,000 children each week in more than 300 schools across Canada.

Chess is a fun activity as well as a tool to stimulate concentration, memorization, imagination and logical thinking.

The **Chess'n Math Association** uses a learning program with levels from beginner to advance. Practical play (hands-on) sessions form a part of every lesson. Exercise sheets are also provided to each child. They can be used at home to review concepts learned in class.

General Vanier School offers the possibility of providing chess lessons to children as an extra-curricular activity. The cost is \$80 per child and classes will be given for 8 weeks. The lessons will be given on **Thursdays from 12:07 to 1:07pm** for students in **grade 1 to 3 (beginners)** and **Tuesday from 12:07 to 1:07pm** for students in **grade 3 to 6 (advanced)**. The lessons will start on **April 3rd and 5th 2018**.

Registration online (link below) and by telephone until March 28th 2018:

chess-math.org/event/general-vanier-p2018

By telephone at 514-845-8352 Ext 21

When you register, you can also purchase a 1 year subscription to www.mychesscourse.com for only \$9.20 taxes include.

The website www.mychesscourse.com contains study pages and many exercises for the pawn, knight, bishop and rook levels. This modern educational tool is the ideal companion for the student who wants to learn more about chess.

As well as the following chess sets:

Chess Kingdom (King 2¾") at \$15

Complete Chess Kit (King 3¾") at \$25

Those who purchased chess kits from the Association will have their products delivered to the school for the first class
