For a logical mind

Dear parent,

The **Chess'n Math Association** provides chess lessons to over 10,000 children each week in more than 300 schools across Canada.

Chess is a fun activity as well as a tool to stimulate concentration, memorization, imagination and logical thinking.

The **Chess'n Math Association** uses a learning program with levels from beginner to advance. Practical play (hands-on) sessions form a part of every lesson. Exercise sheets are also provided to each child. They can be used at home to review concepts learned in class.

Genesis Elementary School offers the possibility of providing chess lessons to children from kindergarden to grade 6 during extra-curricular activities. The cost per child is **\$80** and classes will be given for **8 weeks**. The lessons will be given on **Tuesdays from 12:30 to 1:30 PM**, starting on **April 4th, 2017**. **Please note that students must bring a chess set to the lessons.**

Registrations online or by phone until March 28th, 2017

- chess-math.org/event/genesis
- By telephone at 514-845-8352 Ext 21

When you register, you can also purchase a 1 year subscription to www.mychesscourse.com for only \$8 + tax = \$9.20

The website www.mychesscourse.com contains study pages and many exercises for the pawn, knight, bishop and rook levels. This modern educational tool is the ideal companion for the student who wants to learn more about chess.

As well as the following chess sets:

Chess Kingdom (King 2¾") at \$15

Complete Chess Kit (King 3¾") at \$25

Those who purchased chess kits from the Association will have their products delivered to the school for the first class
