For a logical mind

Dear parent,

The **Chess'n Math Association** provides chess lessons to over 10,000 children each week in more than 300 schools across Canada.

Chess is a fun activity as well as a tool to stimulate concentration, memorization, imagination and logical thinking.

The **Chess'n Math Association** uses a learning program with levels from beginner to advance. Practical play (hands-on) sessions form a part of every lesson. Exercise sheets are also provided to each child. They can be used at home to review concepts learned in class.

Genesis Elementary school offers the possibility of providing chess lessons to children as an extra-curricular activity. The cost per child is 80\$ and classes will be given for **8 weeks**. The lessons will be given on **Tuesday from 12:30pm to 1:30pm. The lessons will begin on April 10th 2018.**

Registration online (link below) and by telephone only until March 28th 2018:
