

# SCHOLASTIC CHESS TEAM CHAMPIONSHIP

by

## THE CHESS'N MATH ASSOCIATION

*Your child's chess teacher is now forming teams  
for the next school team tournament*

**What:** The scholastic team tournaments are among the most popular events of the year as students may represent their school as a team. Each school's team is formed by four players who will be positioned according to their strength (the strongest player will play on the first board, second strongest on second board, etc.). The teacher and the players will determine in advance the team's name and each player's position on the board. **This tournament is so much fun, the kids want more!**

**When:** **Saturday March 25th, 2023**

**Where:** **Collège Jean-de-Brébeuf**  
3200, chemin de la Côte-Sainte-Catherine, Montreal, H3T 1C1  
(Metro Côte-des-Neiges - across from Sainte-Justine hospital)

**Schedule:** **Confirmation of your presence and handing out of badges:**  
**10:00 - 11:00 AM** (The badge indicates on which board to play and needs to be worn throughout the tournament.)  
**Opening Ceremony: 11:15 AM. Tournament: 11:30 to 4:30PM**

**Categories:** Kindergarten to grade 3 / High School / Individual

**Prizes:** A trophée goes to the school of the winning teams of each section for one year. Plaques will be awarded to all the players of the 1st and 2nd winning teams. Players of the 3rd winning teams will be awarded medals. Individual category: Medals for the 3 best results in each section.

**Registration:** You must register by Monday March 20th 2023 at 11:59pm  
on line at: **[chess-math.org/TeamTournament2023](https://chess-math.org/TeamTournament2023)**  
or, call us at **514-845-8352 ext. 21.**

We will give the teachers their registrations so they can form their team. An email will be sent out no later than the Friday before the tournament with all of the details.

**Fee:** \$25 per player.

**Notes:** If the teacher cannot form a team, your child can play in the individual tournament.

**Other:** Time control: 20 minutes + 5 seconds incrementation. 5 games will be played by each of the participants/teams. Prize ceremony at the end of the tournament. You can bring your own lunch and there will be a canteen onsite as well.

**INFORMATION : Chess'N Math / 514-845-8352 ext. 26**
