[www.chess-math.org](http://www.chess-math.org)

\*You have until noon Friday February 22th and March  
15th to pre-register

Rated by the Chess'n Math Association,  
Canada's national scholastic chess organization.

Regular Tournament, players who have a rating play  
by rating and new players play against other new  
players.

Qualification, all players play with other players in  
the same school grade.

Everyone plays 5 games.

Our tournaments are structured so that players who know how  
to check mate will have fun.

**Prix :** Medals for the winners of each section
